

Problem with submitting 48 Hour Notice(Form 6) on January 31, 2008:

On the evening of January 31, 2008, the campaign treasurer tried to submit the Form 6 for contributions received. Both for the online web form and automated upload of the FEC file, the treasurer's password was no longer accepted. This password was the same one that has been used since June, 2007. Since the FEC help desk is not accessible in the evening or on week-ends, the Form 6 could not be submitted electronically. In a good faith effort to get the 48 Hour Contribution Notice in on time, the Form 6 and back up information addressed to the analyst for this campaign, were faxed as manual submissions on the evening of 1/31 and the morning of 2/1. While the Form 6 was scanned in and put on the reports database, it is mislabeled as Miscellaneous report rather than 48 Hour Contribution Notice and it has the wrong date for the submission.
